## Atlantic Tradition

The new **DAM** Yago is a boat for sail or engine, evolution of the traditional boats, proves to be wide, docile and very stable, with a flat hull. **DAM** Yago is provided with multiple accessories designed to enjoy the sea.

### SAIL-ENGINE

Designed for the familiar navigation to sail or engine, it is thought to enjoy the sea

### CAPACITY AND STABILITY

High hull stability and wide cockpit for 4 adults.

### WIDE COCKPIT

She has capacity for 4 sailors. She has seats around and inside the cockpit, and a wide range of accessories to enjoy the day sailer.

### BOOM FREE

Tradition version has a spars without boom to make it easy to sail with family

### BEACHABLE - TRAILERABLE

Her retractable keel and rudder, her light weight and her flat hull allows to explore beaches and inlets, and she rides high by ramp on conventional rigid trailer.
